

## **Myra Jean Palmer's Cookies**

**3/4 cup Crisco**  
**1 cup sugar**  
**2 eggs**  
**1 teaspoon vanilla flavoring**  
**2 1/2 cups self-rising flour**

Preheat oven to 400 F. Combine all ingredients and make into a dough ball. Chill in refrigerator; it is much easier to roll out when chilled. Work with 1/2 of the dough and roll out on a lightly floured board until about 1/8- to 1/4-inch thick. Use a cookie cutter for various designs. Do not grease the baking sheet. Bake for 6 to 8 minutes or until lightly browned. Remove from pan immediately.
