Re: Relocation of the main Gainesville Post Office within downtown Gainesville

Dear Ms. Rybicki:

I am writing representatives of the US Post Office once again in regards to the U. S. Post Office located at 364 Green Street, NE, Gainesville, Georgia 30501. This U. S. Post Office building has been the main Post Office for Gainesville, Georgia and has been serving the community from this same location for 50 years.

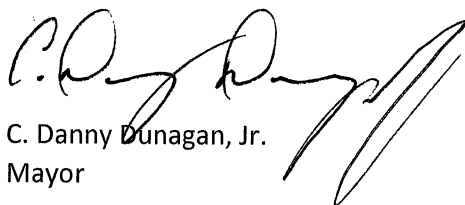

Throughout the years, the main Gainesville Post Office has provided the community and citizens of Gainesville with a convenient location very close to downtown Gainesville for their postal service needs; however, because this facility is situated on a major artery with heavy traffic congestion, entering and exiting the facility is not only challenging, but can be dangerous as well.

The City of Gainesville is very supportive of the U.S. Post Office's efforts to relocate the main Post Office facility in Gainesville and doing so with the new location either in downtown Gainesville or at least in very close proximity to our downtown. If we can be of further assistance to the Post Office in facilitating this move within downtown Gainesville, please let us know.

The City of Gainesville appreciates your consideration to relocate the main Gainesville Post Office to a location that will conveniently and safely serve the needs of the community, while keeping it in a convenient location either in downtown Gainesville or at least in very close proximity to downtown Gainesville.

Please feel free to contact me should you need assistance, or have any questions or concern with the relocation of the Gainesville Post Office within our downtown.

Regards,

C. Danny Dunagan, Jr.  
Mayor
