Jock, GA 30503

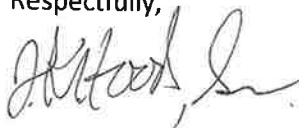

Dear Jock:

After giving a great deal of consideration and thought to my employment with Hall County, I have decided to tender my resignation as Fire Chief, effective immediately.

I am grateful for the opportunity afforded to me to have been able to serve the citizens of Hall County and Fire Services staff as its Fire Chief.

I will make arrangements with you, or your designee, to retrieve my personal belongings that are in my office.

Respectfully,
